Respondent.)	
_____)	

Department II of the Court, composed of Chief Justice Stephens and Justices Madsen, González, Yu and Whitener, considered the Respondent’s objection to the Petitioners’ proposed record in this case at its September 8, 2020, Motion Calendar. This case was initiated at the Supreme Court upon the petitioners’ filing of a petition for writ of mandamus. Pursuant to RAP 16.2, the petition was initially considered by the Court Commissioner who is directed by the rules to make a determination whether the case should be decided by the Supreme Court, transferred or dismissed. While the Commissioner initially determined that this case was appropriate for decision by the Supreme Court, as the case has developed the Court has determined that it would be more appropriate to transfer the case to Thurston County Superior Court for a determination on the merits. See RAP 16.2(d). Therefore, the Department unanimously voted to enter the following order.

IT IS ORDERED:

That this case in its entirety is transferred to the Thurston County Superior Court for determination on the merits.
